

MISSION STATEMENT

The Jewish Women's Foundation of New Jersey is a collaborative philanthropy whose trustees are dedicated to empowering all women and girls through education, advocacy, and strategic grant making.

VISION STATEMENT

We are women of all ages and backgrounds, united by our Jewish values and our passion for creating a world in which all women and girls grow up in healthy, supportive environments, with equal opportunity for economic, religious, social and political achievement.

We are female philanthropists, intent upon overcoming the barriers and resolving the issues that prevent all women and girls from realizing their full potential.
