

GET \$1000

for camp at onehappycamper.org

Give your child the summer of a lifetime at Jewish overnight camp, and save \$1000 on camp fees!

Jewish summer camp offers sports, music, nature and dozens of fun activities in a beautiful outdoor environment. And more importantly, campers become part of a thriving community, develop self-confidence and make lifelong friends.

You can get \$1000 for camp through the Campership Incentive Program if your child has never been to Jewish overnight camp. [Go to onehappycamper.org](http://onehappycamper.org) to learn more and to apply. Some restrictions apply.
